STEPS TO COMPLETE YOUR STORYBOARD...

1. Download template
2. Upload to Procreate or Photoshop
3. Print out the template for those who will pencil sketch.
4. All even numbers in publication are on the left of the book fold; all odds are on the right.
5. Begin with your title page illustration.
6. Page 2 is your metadata page for copyright.
7. Full title page is page 3 complete with imprint logo and author/illustrator information.
8. You may start your first page on page 4 or a full fold by using pages 4 & 5.
9. Children's picture books are formatted in multiples of 8 (ex., 16, 32, 40).
10. All books will end with an even page after your page count (ex., 40 page book will end with page 42 by the publisher, usually blank with "printed in the United States"--or country of print on the final page).
